A Malayalam typeface

Introducing Chilandi : A Malayalam typeface
created during Letter Design, Semester 4. The typeface was inspired by the
typography on Malayalam pulp fiction media from the 60s and 70s. The
letterforms incorporate the dramatic and exaggerated flair of old horror and
romance fiction, mixing sharp curves, straight spindly strokes, and structured
form to make it look fragile yet expressive. The typeface has a gritty charm that
make it usable for film and TV posters, video game typography, book covers,
logotypes, or anywhere yo
